KHAERAT MSK
FOR OIL AND GAS SERVICES

KHAERAT MSK

TRUSTED OIL & GAS SERVICES

Since its inception, Khaerat MSK IRAQ played a prominent role in contributing to the implementation of the strategy of economic diversification. The strategy is represented in the effective management of the company's investment projects, the creation of partnership between public and private sector, and direct investment of the company. In addition, the portfolio of the direct investment of Khaerat MSK IRAQ includes the development and expansion of the oil sector, where the company represents one of the most prominent and largest integrated companies in the oil industry in Iraq.
